

## Giving of your time

Knox welcomes your involvement to serve God and the community. Volunteering at Knox is a great opportunity to exercise your talents, discover new talents, gain experience, learn new things, and meet new people.

If you're interested in a particular ministry or interested but unsure of where you'd like to be involved, please contact Pastor George. He can help point you in the right direction and figure out where your gifts would be best used.

## Lots of Opportunities to Serve
